Denver

Welcome to BifiPV 2018!

naturblau+++

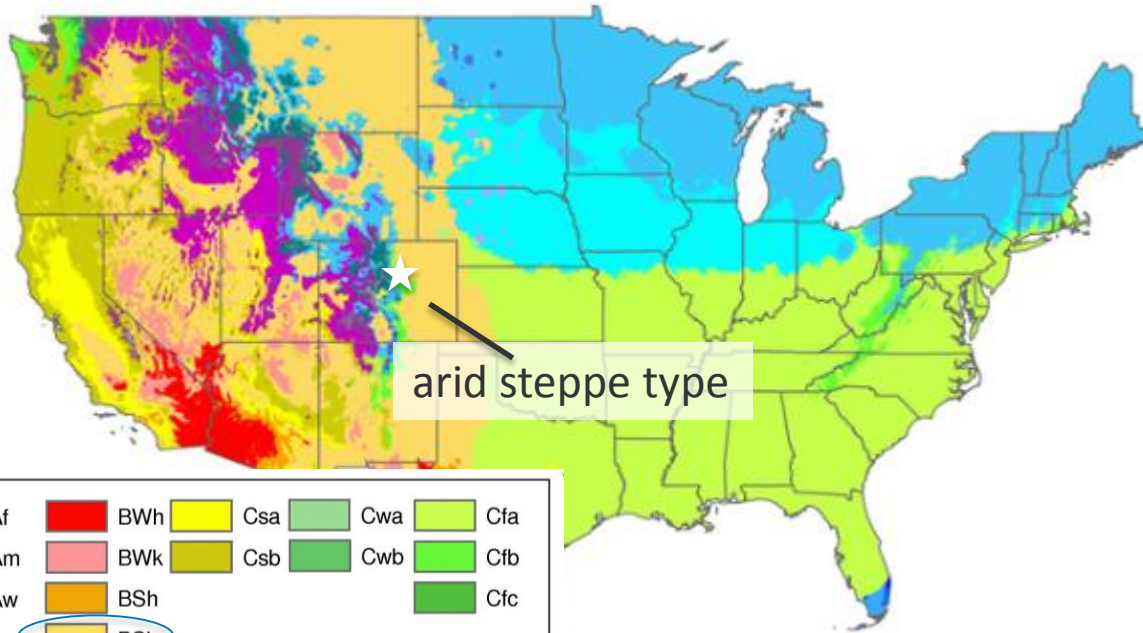

A panoramic view of the Denver skyline under a clear blue sky. The city features a variety of skyscrapers, including the prominent, curved, brown skyscraper on the left. In the background, the snow-capped Rocky Mountains are visible. The text 'Denver' is overlaid in large white font on the left side of the image.

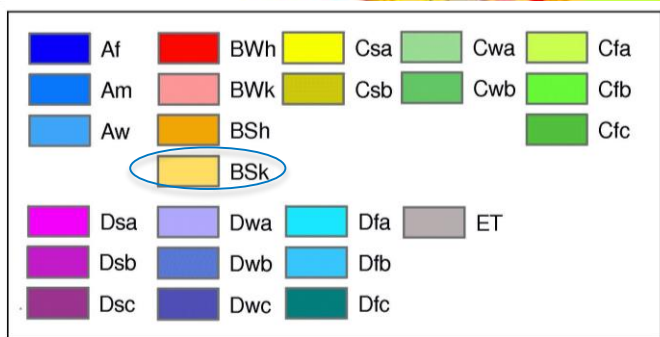

Denver

the 1609m city

Köppen climate types of the United States

arid steppe type

High elevation, dry conditions:

- Drink lots (of water)
- Apply sunscreen
- Take it easy!

Have Fun!
